DISPLAY 2200

22 m
IP41

DISPLAY 2200

Discreetly in the background, but ready when it's needed. The surface-mounted enclosure can be pivoted continuously and is therefore not only suitable for mounting on the wall, but also on the ceiling. The free bright display panel is enclosed in a matt anodised enclosure made of aluminium.

Gessler

DISPLAY 2200

	SYSTEM LUMINAIRE	RECHARGEABLE BATTERY LUMINAIRE
